

Normal Dissertation Committee

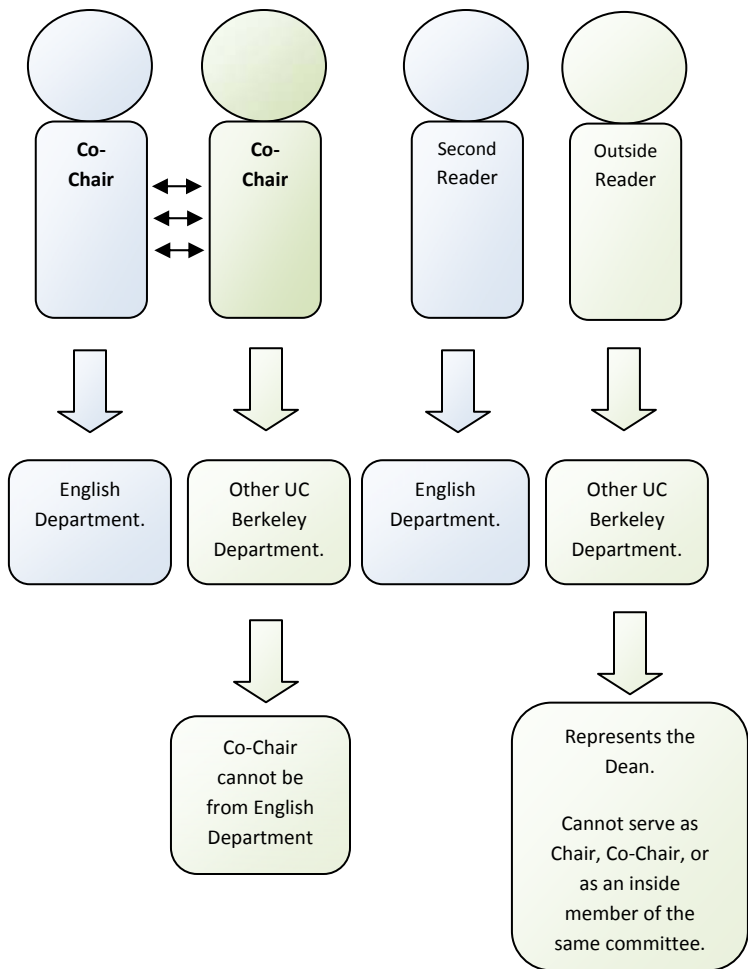

All members must be Academic Senate members.

Graduate Division Policy:

There are usually **three** members: the chair, first or only inside member, and an outside member. A second or additional inside member may be added **but is not required**. All committee members should be members of the Berkeley Academic Senate. The majority of the committee must be from the English Department.

In some cases, a student can invite an English Department faculty member to serve as a third reader. The third reader is warranted when a student's project requires additional expertise. It is recommended that the student consult with his or her dissertation Chair about the appropriateness of adding a third reader from within the department.
